

Event Services

Walker Entertainment Group is one of Houston's premier special event and entertainment companies offering a wide range of services to ensure our clients' complete satisfaction. The formula for our success is very simple; we give our full attention to our clients, work within their budgets, and provide them with the ingredients for a most unique and memorable experience.

Walker Entertainment Group will provide the highest quality of service to ensure the success of our clients' events. Our services include the following:

Event Consulting

WEG provides professional event managers to meet with our clients and give direction to the many layers of planning a special event. We specialize in giving our full attention and listening

to our clients to make sure your vision comes to life.

Site Locations

WEG works with some of the most unique event sites that Houston has to offer. Whether your desire is to have an event in the Grand Foyer or the Wortham, a Warehouse in the Museum District or a yacht that will sail around the bay, we can assist in providing our clients with these awesome locations.

Theme Parties, Cocktail Receptions, Gala Events

Our professional event staff has worked with some of the most influential clients from the Southern Region to the West Coast. We provide our clients with fresh ideas and winning proposals that will allow you to see, feel and imagine your event.

- Designer Linens, Overlays, Chair Covers

WEG has partnered with some of the top linen companies to provide our clients with an unlimited variety of colors and textures. We also have a seamstress on staff that can make linens especially for your event or home.

Entertainment Services

WEG started 15 years ago as an entertainment agency offering the best in National and Local talent from Big Bands to Celebrity Impersonators; our company can handle whatever your entertainment needs are. Click to view our extensive list of national and local talent

Decorations and Floral Designs

After spending 15+ years with some of the top event and floral designers in Houston, WEG's event staff can provide any type of décor needed for special events. Whether you are looking for a Hot Night in Havana or need florals for your wedding we do it all.

Professional Event Staff

Our Event Staff specializes in Weddings, Themed Events, Corporate Events, Social Events, Children's Parties and so much more.

Equipment Rentals(Tables, Chairs, Dance Floors, Tents etc.)

WEG has partnered with several equipment rental companies to provide our clients with the best in tables, chairs, tents etc.; we try our best to alleviate the worry and headache associated with searching for equipment needed for events. We take on the responsibility of ordering, checking in all rentals and ensuring set-up for your event.

Photographers & Video Production

The best that photography has to offer, work with our company. If you are looking for an event photographer or one specializing in wedding portraits contact our company. We have taken on the task of narrowing down the search for some of the best photographers and videographers in town and they are a part of our company.

Customized Ice Designs

From iced bars to 36" of ascending reindeer, we can handle all of your ice designs. Check out some of the interesting pieces clients have ordered over the years and if you want something customized to your specifications that is no problem.

Cake Designers

Cake is so much more than tiers with flowers. Our in house cake designers can wow you with the many designs and themes that will make your guest lose their minds and wonder with amazement or even ask WHO MADE THE CAKE.

Graphics and Website Development

Our in house graphics and web team can assist with clients developing graphics for print ads, flyers to creating that special website complete with slides and music or even voiceovers.

Catering Services

WEG has a list of preferred catering companies that we use for several events. We can provide the ultimate in cuisine for gala events, casual corporate luncheons, specialty dinners, wedding receptions or even that simple BBQ in the backyard.

Sound and Lighting

Sound and Lighting play such a key role in transforming an event site or even to create an exciting atmosphere on stage. We have an in house production team that specializes in lighting design.
